SCOTTSDALE/PHOENIX IN FEBRUARY

The 40th Annual Phoenix Surgical Symposium will be held during one of the most delightful months in Scottsdale/Phoenix, Arizona. The mild February weather is perfect to enjoy the many outdoor activities including championship golf, tennis, hiking and swimming.

PROGRAM DESCRIPTION

The symposium is a three-day postgraduate course designed to present a review of current knowledge. Each day's session begins with a continental breakfast followed by a series of presentations by a nationally recognized faculty. There will be opportunities for informal interaction with the faculty during the breaks and lunches.

PROGRAM OBJECTIVES

After completing this program, the participant will be able to:

- 1) Integrate new info into current clinical practice.
- 2) Review Standards of Care.
- 3) Identify current trends in multiple topics concerning trauma, general surgery, critical and acute care.
- 4) Compare new surgical approaches to dealing with common surgical problems.

EDUCATION CREDIT INFORMATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Banner Health and The Phoenix Surgical Society.
